

Title of the subject	: Hungarian civilisation and agricultural history
Subject leader	: Annamária Vasné Gross
Prerequisite	: none
Credit	: 6
Short description of the subject	: The aim of this course is to give foreign students an overview about Hungarian geography, economy, (agricultural) history and culture in order to help them to adapt themselves to the new, unknown environment and to find their way in Hungarian life. Furthermore, they will be made acquainted with basic language elements to be able to cope with everyday situations in Hungarian.
